

# Overseas Pakistanis Foundation (OPF) has launched OPF Internship Program 2018

After successful completion of the OPF Internship program, 2017 Overseas Pakistanis Foundation (OPF) keeping in view its commitment to serve Overseas Pakistanis residing all over the world has launched OPF Internship Program, 2018 for educated youth belonging to overseas Pakistani families. This program is the realization of our Corporate Social Responsibility (CSR) in contributing for social and economic development of the educated youth belonging to families of Overseas Pakistanis.

OPF Internship program aims to provide training & productive skills to the educated children of registered overseas Pakistanis by giving them exposure to professional working environment to enhance their capability and employability. This program will provide internship to fresh graduates/post graduates from HEC recognized local / foreign universities / colleges.
